-
5. Separate rate should be quoted for **“Supply and Commissioning of one number 82.5 KVA and two numbers 10 KVA Single Phase Diesel Generator Sets”** as per specifications at our Head Office, Punalur, Ayiranallur and Kulathupuzha Estates respectively including unloading charges. Buy back rate should be shown separately.
 6. The Earnest Money Deposit will be refunded within one week of finalization of the contract to all, whose offers have not been accepted.
 7. The contract will be considered as concluded on issue of purchase order by the company. The successful tenderer should enter into an agreement with the company as per tender conditions after depositing 5% of the value as Security Deposit. Security Deposit will be refunded after the defect liability period based on the performance certificate received from the concerned officials of the company.
 8. EMD in respect of tenderer whose offer has been accepted will be retained and adjusted as part of the security deposit for due performance of the contract.
 9. The Managing Director of the company reserves the right to accept or reject any tender without assigning any reason.
 10. The sales tax or other taxes applicable should be shown separately. Otherwise the rate quoted will be taken as inclusive of all taxes.
 11. The supply of the Generator Set should be completed within the period specified in the purchase order of the Company. If the supplier fails to supply the articles within the specified time/on breach of any of the conditions of the contract, the Company reserves the right to make alternate arrangements from other sources at the risk and loss of the supplier and the difference in cost on such arrangement will be recovered from the defaulting supplier through legal means/revenue recovery proceeding.

12. The security deposit is liable to be forfeited as liquidated damages in the event of any breach of contract by the supplier.
13. Special conditions, if any, written on the tender or attached with the tender will not be applicable to the contract unless they are expressly accepted by the Company.
14. The tenderer whose offer has been accepted should guarantee that the Generator Set to be supplied will conform to the specifications in the company's conditions.
15. If the date of tender happens to be a holiday, the tender will be opened on the next working day at the same time and place.
16. The tenderer agrees that the time wherever specified is the essence of the contract.
17. The successful tenderer should supply and commission 82.5 KVA and 10 KVA diesel generator sets as the case may be, as per specification at the Head Office, Punalur, Kulathupuzha & Ayiranallur Estates respectively. All civil works and electrical works necessary for installation of the Generator Set will be undertaken by the company.
18. The tenders will be evaluated item wise when there are one or more items in the same tender.
19. Only Manufacturers or Authorized dealers should quote for the Generator Set. The tenderer should have sufficient expertise in supplying and installing Generator Set. Proofs of earlier orders executed should be attached along with the tender.
20. Any dispute arising out of this contract, all suits or other legal proceedings in connection with any of the matter shall be instituted in the courts of Punalur/ Kottarakkara.
