6. The earnest money deposit will be refunded within one week of finalization of the contract to all those whose offers have not been accepted.
7. EMD in respect of tenderer whose offer has been accepted will be retained and adjusted as part of the security deposit for due performance of the contract. Contract should be concluded and binding on issue of purchase orders by the Company.
8. The tenderers whose offer has been accepted will have to enter into a formal agreement with the company for supply of “RAINGUARDING MATERIALS AND FENCING MATERIALS” as per terms and conditions fixed by the Company within seven days of communication of acceptance of the offer by the Company failing which the EMD is liable to be forfeited and purchase arranged at the risk and cost of the tenderer whose offer is accepted. The materials will have to be supplied within **30 days** of placing orders.
9. The Managing Director of the company reserves the right to accept or reject any tender without assigning any reason

10. The successful tenderer should furnish security deposit @ 5% of the total purchase value for the due performance of the agreement after acceptance of his tender by the Company and before executing agreement as per conditions.
11. Payment of bills will be effected only after receiving stock certificate and quality certificate from the concerned Estate Managers. All payments will be made by Account Payee Cheque.
12. The rate quoted should be firm till the Company accepts the same. No representation for enhancement of price once accepted will be considered on any account.
13. The sales tax or other taxes applicable should be shown separately. Otherwise the rate quoted will be taken as inclusive of all taxes.
14. The supply of materials should be completed within the period specified in the purchase order of the Company. If the supplier fails to supply the articles within the specified time, the Company reserves the right to make alternative arrangements from other sources at the risk and cost of the supplier and the difference in cost will be recovered from the defaulting supplier through legal means/revenue recovery proceedings.
15. The security deposit is liable to be forfeited as liquidated damages in the event of any breach of contract by the supplier. In case there is no liability the security deposit will be released after the supply is effected and after getting non-liability certificate from the Managers of estates.
16. Special conditions, if any, written on the tender or attached with the tender will not be applicable to the contract unless they are expressly accepted by the Company in writing.
17. The tenderer whose offer has been accepted should guarantee that the material to be supplied will conform to the specifications in the company's tender notice.
18. The material supplied by the tenderer should be environmentally safe.
19. The supplier must also enclose a test report of the material along with of delivery of the material.
20. The Material Safety Data Sheet (MSDS) of product supplied must be enclosed wherever applicable.

21. Specific mention must be made if the product supplied contains any toxic/environmentally hazardous material.
22. If the date of tender happens to be a holiday, the tender will be opened on the next working day at the same time and place.
23. The tenderer agrees that time wherever specified is the essence of the contract.
24. The price preference for SSI units as ordered by Govt. from time to time, if any, will also be extended to such SSI Units who are intending suppliers.
25. The tenders will be evaluated item wise when there are one or more items in the same tender.
26. 80% (eighty per cent) of value will be paid on receipt of the materials and balance 20% only after getting quality certificate from the Managers of Estates.
27. **The polythene sheet, which is not of the prescribed guage, will not be accepted. The material should be made of virgin granules. All materials quoted and supplied should be strictly as per specifications enclosed.**
28. The company reserves the right to get the material tested at appropriate testing agencies to ascertain the quality of the materials supplied and the result so analyzed will be binding on the suppliers.
29. The payment will be based on weight wherever applicable.
30. **The tenderer should specify whether manufacturer/dealer/ordinary supplier in the space provided under 'Remarks' in the schedule.**
31. Any dispute arising out of this contract, all suits or other legal proceedings in connection with any of the matter shall be instituted in the Courts of Punalur/Kotarakkara.
